March 21, 2007  
Time: 7:30 p.m.**

1. Call to order and roll call
2. Receipt of petitions
3. Approval of the February 21, 2007 meeting minutes
4. FY08 budget update
5. Filtering update
  - The General Assembly may appropriate an additional \$190,000 in State Aid to cover some of the cost of filters for libraries. Right now it could cost the Library/City around \$3,000 (or more depending on whether a server must be bought to house the filter). We are waiting on information from the City's IT department about possible costs.
  - The amount given to each library system will be prorated and based on information submitted in the annual state report that each library must complete.
  - I will let you know more information when it becomes available.
6. Library User Survey for 2007
  - A work order for the attorney was submitted with the question concerning use of patron records for mailing out a survey. I have not received a response as yet.
